BioValley Companies Day - The trinationl BioValley market place for business contacts

BioValley Deutschland e.V. offers the BioValley Companies day and unique opportunities to improve the network of companies in the BioValley area.

• Participation with a company presentation:

You will have 10 minutes to present your company, products and services to a highly interested audience. Breaks will offer you a casual way of expanding your existing contacts, acquiring new interesting connections as well as helping to further develop your network.

Presentation slots are limited. Please apply immediately – first come first served, deadline December 15, 2016.

• Participation in the audience:

If you wish to participate without a presentation you have the opportunity to listen to a broad portfolio of company profiles and use the meeting for networking. We are expecting ca. 35 presentations.

For registration please use the attached registration form or send an email to m.claassens@biovalley.de.

Display of promotion material of the presenting companies will be available on tables in the lobby.

The final program will be available on our website www.biovalley.de from 18th march.
