BioValley Companies Day 2023 - the trinational BioValley Market Place for business contacts

BioValley Deutschland e.V. offers with the BioValley Companies Day a unique opportunity for the presentation of your company to a broad audience. It is open to Life Sciences companies and it's service providers. The conference language is English. The fees include lunch and coffee during the breaks.

• Participation with a company presentation:

You will have 10 minutes to present your company to a highly interested audience. Breaks will offer you a casual way of expanding your contacts, acquiring new connections and further develop your network.

Presentation slots are limited. First come first served.

Deadline: March 17, 2023

• Participation as audience:

If you wish to participate without a presentation you have the opportunity to listen to a broad portfolio of company profiles and use the event for networking. We are expecting about 35 presentations.

Schedule (projected - final schedule and program will be available on our website www.biovalley.de from April 26, 2023)

4 courses or presentation:

- 2 x 90 minutes from 9:30 am - 1:00 pm, including 30 minutes coffee and networking break
- 2 x 90 minutes from 2:0 pm - 5:30 pm, including 30 minutes coffee and networking break

Business lunch: 1:00 pm - 2: pm

For registration please use the attached registration form or send an email to contact@biovalley.de
